PROFESSIONAL SUMMARY

Computer Science senior (GPA 3.95) with experience in software development, databases, web applications, and AI-assisted development. Skilled in Java, JavaScript, Python, SQL, and object-oriented programming. Proven ability to solve complex problems, learn new technologies quickly, and deliver solutions in fast-paced environments.

TECHNICAL SKILLS

Languages:	Java, JavaScript, Python, C++, SQL, HTML, CSS
Frameworks & Tools:	React, Supabase, Git, GitHub, Vercel
Databases:	PostgreSQL, MySQL
Concepts:	Object-Oriented Programming, Database Design, REST APIs
AI & Automation:	AI-Assisted Development, Prompt Engineering, Workflow Automation

EDUCATION

Bachelor of Science in Computer Science

Expected August 2026

Wilmington University • GPA: 3.95 • Dean's List

Relevant Coursework: *Web Design & Development, Java Programming I & II, Database Foundations, Object-Oriented Programming, Computer Architecture, Cybersecurity Fundamentals, User-Centered Design*

PROJECTS

InvitePool | *React, Supabase, PostgreSQL, Vercel*

- Designed and developed a full-stack event management platform with RSVP tracking and guest management.
- Implemented user authentication, secure database access, email notifications, and event administration features.
- Designed relational database structures and managed application data using PostgreSQL through Supabase.
- Deployed and maintained a production-ready web application used for real events and guest coordination.

Inventory Management System | *Java, MySQL*

- Designed and developed an inventory management application using object-oriented programming principles.
- Implemented CRUD operations, SKU validation, and inventory value calculations.

Portfolio Website | *HTML, CSS, JavaScript* | www.angelinarace.dev

- Developed a responsive website to showcase technical projects and software development skills.

WORK EXPERIENCE

Certified Pharmacy Technician – Walmart

Nov 2020 – Present

- Utilize enterprise systems to process and validate sensitive healthcare data.

- Collaborate with pharmacists, healthcare providers, insurance partners, and customers to resolve complex issues.
- Maintain HIPAA compliance while ensuring high levels of accuracy and customer service.
- Operate effectively in a fast-paced, detail-oriented environment requiring precision and reliability.

CERTIFICATIONS & LICENSES

Certified Pharmacy Technician (CPhT) – PTCB Certification

Registered Pharmacy Technician

CompTIA/TestOut PC Pro
